Volunteer Opportunities at Montgomery Housing Partnership

In order to stretch our resources to reach as many low- and moderate-income residents as possible, MHP relies on help from compassionate members of the community who are willing to volunteer their time and talents.

The ways in which you can help are limited only by your own imagination, but here are a few suggestions to help you get started:

Year-round

1. Serve as a host or ambassador for a Building Dreams Tour, inviting colleagues, family and friends to take the 1-hour on-site tour of MHP's mission
2. Host an MHP house party and invite your friends
3. Provide clerical help with mailings and general office work
4. Advocate for fair housing laws and regulations by offering written/oral testimony at hearings, or writing letters to local elected officials
5. Serve as event staff at health fairs and community festivals
6. Serve as a tutor at one of MHP's after school homework clubs and computer labs
7. Adopt a community or program

Seasonal

8. Serve as event staff for the annual Norman Christeller Golf Classic – May/June
9. Participate in community building activities, such as neighborhood cleanups, annual Earth Day cleanup, community garden builds, and landscaping days – Spring/Summer
10. Collect backpacks and school supplies for our back-to-school drives – July
11. Sponsor a family's rent subsidy for a year
12. Serve as event staff for MHP's Annual Building Community ~ Fulfilling Dreams Benefit Breakfast - October
13. Collect and wrap gifts for our holiday toy drives – December

Visit MHP on the web and Facebook to get notices of upcoming events and other volunteer opportunities. www.MHPartners.org / [www.Facebook/MHPartners](https://www.facebook.com/MHPartners)
