## **Montgomery Housing Partnership Moves to Tech Road**

Thriving non-profit outgrows office space in Wheaton

**November 13, 2007 – Silver Spring, MD** Montgomery Housing Partnership (MHP) announces the move of their office from Veirs Mill Road in Wheaton to 12200 Tech Road at Route 29 in Silver Spring effective November 5, 2007.

The MHP office had been located near Westfield Mall since 1991 and the staff has grown to 22 employees. “We are operating in very cramped conditions. Some of our employees have been asked to double up in offices and other employees are working on different floors in our current building.” states Jill Goodrich, VP of Operations. “Our goal is to create a great work environment and our new offices will allow for that.” The new office will have 1,200 additional square feet.

MHP is the largest non-profit developer, owner and manager of affordable housing in Montgomery County and has over 1,000 units in its portfolio. Established in 1989, MHP’s goal is to provide high quality affordable housing and offer a broad array of programs that help families who are striving toward the next level of stability.
